General Information:

SMS NI Adjuvant is a nonionic, spreader-activator surfactant formulated for use with plant control spray mixtures. SMS NI Adjuvant improves the wetting, spreading and penetration of herbicides, insecticides, fungicides and other active ingredient tank mix partners. SMS NI Adjuvant will resist rainfall and irrigation wash-off and contains an antifoam ingredient to minimize troublesome foam.

Directions For Use, Use Rates, Mixing Instructions:

The addition of adjuvants to some plant control products or fertilizer tank mixes may cause discoloration to the foliage or fruit of the desirable crops. Before using SMS NI Adjuvant, the applicator should have experience with the tank mix combination or should conduct a phytotoxicity test.

Use Rate: By volume 0.125 to 0.50% v/v or 1 to 4 pints per 100 gallons of spray solution.

Mixing: Always follow instructions found on plant control product label concerning adjuvants. In the absence of specific mixing instructions, fill the spray tank 1/2 to 3/4 full with desired water volume. Add various active ingredients with SMS NI Adjuvant being added last. Fill tank with remaining water and agitate.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Turf injury, ineffectiveness or other unintended consequences may result, because of such factors as weather conditions, environmental conditions, presence of other materials or chemicals, or use of this product in a manner inconsistent with its labeling, all of which are beyond the control of SMS Additive Solutions, LLC or the seller. SMS Additive Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to here within, subject to inherent risks, referred to above. SMS Additive Solutions, LLC makes no other express or implied warranty. In no case shall SMS Additive Solutions, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The seller shall not be liable and any and all claims against the seller are waived. SMS Additive Solutions, LLC and the seller offer this product, and the buyer and user accept it. SMS Additive Solutions, LLC and the seller shall not be liable and any and all claims against the seller are waived.
