### General Information:

SMS Tank Cleaner L is effective at cleaning metal, fiberglass and plastic spray systems. Not recommended on nonferrous metals. SMS Tank Cleaner L assists with the removal of dirt, grime, grease, chemical and fertilizer residues from tanks and equipment. SMS Tank Cleaner L helps to eliminate rust and scale and keeps equipment in ready-to-use condition.

### Directions For Use:

Clean tanks on approved site where possible to properly collect all rinsate. Thoroughly clean exterior of tank to remove dirt and chemical residue. Fill tank with clean water and add 1 quart of SMS Tank Cleaner L per 100 gallons of water. Remove nozzles and strainers to clean separately in a bucket with 1 to 2 ounces of SMS Tank Cleaner L to assist cleaning process. Rinse parts with clean water. Ensure agitation and carefully clean the interior of the tank using the high pressure sprayer or hose. Agitate and circulate full capacity of water for 15 minutes. Flush the cleaning solution through the boom, hoses and re-installed nozzles until tank is empty. Drain the tank, lines and pump completely.

Dispose of rinseate according to product label and local, state and federal regulations.

It is recommended to test final rinse solution for pesticide residue by hand spraying rinseate on delicate plants such as tomatoes, or flowers that are set aside for this purpose.

### CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Turf injury, ineffectiveness or other unintended consequences may result, because of such factors as weather conditions, environmental conditions, presence of other materials or chemicals, or use of this product in a manner inconsistent with its labeling, all of which are beyond the control of SMS Additive Solutions, LLC or the seller. SMS Additive Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to here within, subject to inherent risks, referred to above. SMS Additive Solutions, LLC makes no other express or implied warranty. In no case shall SMS Additive Solutions, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The seller shall not be liable and any and all claims against the seller are waived. SMS Additive Solutions, LLC and the seller offer this product, and the buyer and user accept it. SMS Additive Solutions, LLC and the seller shall not be liable and any and all claims against the seller are waived.
