For professional use only. Prior to using this product, read this entire label, conditions of sale, and additional precautionary and safety statements. In case of an emergency, call CHEMTREC at 1-800-424-9300.

General Information:

SMS Bye-Carb is a sprayable acid formulation designed to solubilize biocarbonates and carbonates that build up in soil profiles.

First Aid:

IF IN EYES: Immediately flush eyes for 15 minutes. Seek Medical treatment if necessary. **IF ON SKIN OR CLOTHING:** Remove contaminated clothing and rinse area with water. **IF INHALED:** Move to fresh air immediately. **IF INGESTED:** Drink water or milk quickly. Do not induce vomiting. Seek medical treatment if necessary.

Directions for Use:

Rate of application: Apply SMS Bye-Carb at 32 to 64 fluid ounces per acre. When mixing, add at least ¼ of the total water to the tank before adding SMS Bye-Carb, agitating continuously to mix properly. Following application, irrigate with enough water to wash product off leaf tissue and into the soil profile. Apply SMS Bye-Carb with a spray volume of 60-80 gallons of water per acre. Apply weekly for up to three weeks for initial applications, then biweekly (every 2 weeks) or as needed for maintenance applications.

Precautionary Statements:

Wash thoroughly after handling. Wear protective gloves/eye/face protection. Please consult material data sheet for more information. Use product only as directed. Avoid direct inhalation or contact with eyes or skin.

Storage and Disposal:

Storage: Maintain in a safe and isolated area. Store in original container only and do not add any contents to container before or after use.

Disposal: Follow disposal procedures appropriately such as triple rinsing and disposing of rinsate either in spray tank or in accordance with federal, state and local law. Dispose of container in accordance with federal, state and local law.

Conditions of Sale:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product.

Turf injury, ineffectiveness or other unintended consequences may result, because of such factors as weather conditions, environmental conditions, presence of other materials or chemicals, or use of this product in a manner inconsistent with its labeling, all of which are beyond the control of SMS Additive Solutions, LLC or the seller.

SMS Additive Solutions, LLC warrants that this product conforms to the chemical description the label and is reasonably fit for the purposes referred to here within, subject to inherent risks, referred to above. SMS Additive Solutions, LLC makes no other express or implied warranty. In no case shall SMS Additive Solutions, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The seller shall not be liable and any and all claims against the seller are waived. SMS Additive Solutions, LLC and the seller offer this product, and the buyer and user accept it. SMS Additive Solutions, LLC and the seller shall not be liable and any and all claims against the seller are waived.
