General Information:

SMS Adjuvant Plus is a new class of adjuvant based on alkoxyated triglycerides. SMS Adjuvant Plus is formulated for use with herbicides, fungicides, insecticides, plant growth regulators and other plant control products when an oil concentrate or a nonionic surfactant are recommended. An integrated antifoaming ingredient minimizes foam in the spray tank. SMS Adjuvant Plus provides maximum uptake of active ingredients while delivering the efficacy of oil concentrate with the safety of a nonionic surfactant.

SMS Adjuvant Plus is approved for aquatic use.

Directions For Use, Use Rates, Mixing Instructions:

For use with plant control products registered for use for agricultural, aquatic, forestry, industrial, municipal, non-cropland, ornamental, rights-of-way, turf and other uses. Always read and follow label instructions of plant control product regarding adjuvants.

For Ground Application: Use 0.125 to 0.375% v/v or 1 to 3 pints per 100 gallons of spray solution.

For Aquatic Application: Use 0.250 to 0.50% v/v or 2 to 4 pints per 100 gallons of spray solution.

Unless instructed otherwise by the plant control product label, add SMS Adjuvant Plus as the last component to the spray mix and continue agitation. Applicators not familiar with the combination of these products should consider conducting a jar test in advance to confirm compatibility and consider testing a small treatment area prior to full scale use.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:

This product is intended for use only by turf grass professionals according to the label directions. The directions for use of this product reflect the opinion of experts based on research and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Turf injury, ineffectiveness or other unintended consequences may result, because of such factors as weather conditions, environmental conditions, presence of other materials or chemicals, or use of this product in a manner inconsistent with its labeling, all of which are beyond the control of SMS Additive Solutions, LLC or the seller. SMS Additive Solutions, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to here within, subject to inherent risks, referred to above. SMS Additive Solutions, LLC makes no other express or implied warranty. In no case shall SMS Additive Solutions, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The seller shall not be liable and any and all claims against the seller are waived. SMS Additive Solutions, LLC and the seller offer this product, and the buyer and user accept it. SMS Additive Solutions, LLC and the seller shall not be liable and any and all claims against the seller are waived.
